

## **MB 6JN Jensen PA Mic Adaptor Box**

If you have a fleet of Mini Busses, I'm sure you're tired of the limited mic choice and the prices that are asked by the manufacturer?

The MB 6JN allows you to use ANY of our reasonably price mics from hand mics to headsets and wired to wireless. Just plug them into the MB 6JN and it will seamlessly operate your factory Jensen PA-Audio System as normal with no batteries required.

With the MB 6JN, now you can afford to outfit all your drivers with their own mics or update to a wireless mic for your host or hostess. Come on board, the door is now open to choice
