

MB 6MP Motorcoach PA Mic Adaptor Box

Whether you have a fleet of MCI or Prevost coaches, I'm sure you're tired of the limited mic choice and the prices that are asked by the manufacturer?

The MB 6MP allows you to use ANY of our reasonably price mics from hand mics to headsets and wired to wireless. Just plug them into the MB 6MP and it will seamlessly operate your factory PA-Audio System as normal with no batteries required.

With the MB 6MP, now you can afford to outfit all your drivers with their own mics or update to a wireless mic for your host or hostess. Come on board, the door is now open to choice!
